Clyde “Butch” Seidle, P.E.
Director of Public Service / City Engineer

HILLIARD TRASH COLLECTION SERVICES FACT SHEET EFFECTIVE JULY 1, 2015– JUNE 30, 2016

WHAT

The City of Hilliard has entered into a five-year contract with Local Waste Services (LWS) to provide the city's trash services effective July 1, 2014 through June 30, 2019. LWS is locally owned and operated and has served the central Ohio community for 15 years.

Recycling is a primary component of the LWS trash collection service and the City strongly encourages residents to recycle.

Recycling preserves the environment, saves energy, keeps recyclable materials out of landfills and creates and maintains local jobs. Increasing the City's recycling rate over solid waste by 1% can save residents money. This savings will be realized at the end of each year and passed onto residents in the next service year.

WHEN

All trash, recycling and yard waste are collected **every Tuesday**. All items must be placed outside for collection before 7 a.m. If a holiday falls on a Monday or Tuesday collection service will be on Wednesday.

BILLING RATES AND DISCOUNTS

The City is now responsible for all trash-service billing. Residents will be billed semi-annually at the rate established in the table below.

SENIOR DISCOUNT

To be eligible for the 10% senior discount, the single family residence **must be owner occupied** and the owner must be 65 years of age on or before June 30, 2015 (DOB 6/30/1950 or before). Visit <http://www.hilliardohio.gov/trash> to download a 2015-16 senior discount application form or visit City Hall at 3800 Municipal Way, Hilliard, OH 43026.

	Rates	Regular Semi-Annual Billing	Single Annual Discounted Payment	Annual Discounted Savings
Residents	\$16.28/month	\$97.68	\$175.82*	\$19.54
Senior Residents	\$14.65/month	\$87.90	\$158.22*	\$17.58

** The City offers a 10% discount to residents who pay their total annual discounted trash bill by August 31, 2015. Senior citizens can receive both discounts..*

TRASH & RECYCLING CONTAINERS

Green trash and blue recycling containers are available to each single-family residence and condominium residence.

	Container Sizes
Single-Family Residence	Trash: Green <u>65-gallon</u> wheeled container with hinged lid Recycling: Blue <u>65-gallon</u> wheeled container with hinged lid
Condominium Residence	Trash: Green <u>35-gallon</u> wheeled container with hinged lid Recycling: Blue <u>35-gallon</u> wheeled container with hinged lid

If a replacement container is needed call the Trash Collection Services Help Line at (614) 334-1175. A \$21.50 fee will be charged for the request of the larger 95 gallon trash container. **To encourage recycling, the City will upgrade a residence to the larger 95 gallon recycling container at no additional cost.**

BENEFITS

Hilliard provides single family residents an environmentally friendly and cost-effective trash collection services.

- One-day service pick-up
- Comparable and competitive rate (savings of \$0.32 per month from 2012-13 contract rate)
- Proven, positive experience with current service provider
- Billing managed by the City, which provides for cost savings
- Many of the service provider's trucks are powered by compressed natural gas, which is more environmentally friendly and offers savings benefits
- Residents can receive notices about service delays and report missed pick-up through Re-Collect, an opt-in website program and mobile application (Residents can sign up at <http://www.hilliardohio.gov/trash> to opt-in to this service)
